Managing Director, Partner, Beacon Pointe Wealth Advisors, LLC, 2015-2020

Professional Designation

Mark Mathers holds the following professional designation:

Certified Financial Planner

The CERTIFIED FINANCIAL PLANNER™ and CFP® (collectively, the “CFP® marks”) are professional certification marks granted in the United States by the Certified Financial Planner Board of Standards, Inc. (“CFP® Board”). The CFP® certification is a voluntary certification; no federal or state law or regulation requires financial planners to hold CFP® certification. The CFP® is recognized in the United States and a number of other countries for its (1) high standard of professional education; (2) stringent code of conduct and standards of practice; and (3) ethical requirements that govern professional engagements with clients. CFP® certificate holders are bound by CFP® Board’s *Standards of Professional Conduct*, a set of documents outlining the ethical and practice standards for CFP® professionals.

To earn the credential, each CFP® candidate must have a bachelor’s degree (or higher) from an accredited college or university and three years of full-time personal financial planning experience. In addition, candidates must take the CFP® Certification examination and complete a CFP® Board- Registered Program or hold an accepted designation, degree, or license. Every two years, CFP® certificate holders must complete a minimum of 30 hours of continuing education. More information regarding the CFP® is available at <http://www.cfp.net/default.asp>.

Chartered SRI Counselor™

The CSRIC® program is a designation program for financial professionals issued by the College for Financial Planning. It is accredited by the U.S. Department of Education Regional Accredited Agencies, The Higher Learning Commission (HLC).

Individuals with this professional designation have completed study and coursework in sustainable, responsible, and impact investing (SRI). It provides financial advisors and investment professionals with information about the history, definitions, trends, portfolio construction principles, fiduciary responsibilities, and best practices for sustainable investments. The CSRIC® Professional Education Program is a 3-semester credit graduate-level course. Students spend approximately 90-135 hours in

course-related activities to study and prepare adequately for the course examination. In addition, all CSRIC®s are required to complete 16 hours of continuing education credits every two years. More information regarding the CSRIC® is available at <https://www.cffp.edu/>.
